SUMMARY OF THE REASONS FOR DECISION:

The CD-ROM cassette case entitled *Extreme Heat* is classified as:
Unrestricted.

The cassette case is advertising material for the related CD-ROM and comprises text including “adult images in .BMP format” and “soft X to XXX depicting hot and heavy action” which is suggestive of the CD-ROM’s explicit sexual contents. However, the strength of this suggestion is not likely to make the availability of the cassette case injurious to the public good.
